

OPERATOR

OPERATOR

Initial Training	Duration	Reference	Course number
■ Surface Production Operator Training	40 days	PROD / SPOT	E- 531

SUPERVISOR

PANEL OPERATOR THEN HEAD OPERATOR

Initial Training	Duration	Reference	Course number
■ Surface Production Technician Training	35 days	PROD / SPTT	E- 532
Continuing Training	Duration	Réf. IFP Training	N° de fiche
■ Safety and Environment in field operations	5 days	SEC / SAFOP	E- 550
■ Field Processing and Surface Production Facilities	10 days	PROD / FPSPF	E- 502
■ Offshore Fields Development - Pipelines & Flow Assurance	5 days	OFF / OFFSHGB	E- 540
■ Technology of Oil & Gas Processing Equipment	10 days	MAT / EQUIP	E- 570
■ Instrumentation & Process Control - Safety Systems	4 days	I&R / INSTGB	E- 560
■ Centrifugal pumps - Positive displacement pumps	5 days	MTE / PC-E	E- 573
■ Centrifugal Compressors Operation	5 days	MTE / EECC-E	E- 576
■ Gas Turbine Technology	5 days	MTE / TAG-E	E- 577

SUPERINTENDENT

PRODUCTION SUPERINTENDENT

Initial Training	Duration	Reference	Course number
■ Production Superintendent Training	50 days	PROD / SPSIT	E- 533
Continuing Training	Duration	Reference	Course number
■ Well Performance	5 days	On request	
■ Advanced Oil & Gas Field Processing	15 days	PROD / ADV	E- 503
■ Introduction to Reservoir Engineering	5 days	GIS / RESBAS	E- 350
■ Corrosion and Corrosion Prevention	5 days	MCO / CICIP-E	E- 591
■ Process Plant Inspection Plan	3 days	EIM / PLINS-E	E- 592
■ Operation, Maintenance and Inspection of Rotating Machinery	15 days	MTM / OMIRM	E- 580
■ Maintenance Management - Equipment availability control	5 days	OGM / GEMA-E	E- 583
■ Estimation and cost control	5 days	PGP / EMCOU-E	E- 009
